

REMINDER!

Tomorrow is a **WORK party...**

With less than 30 days to the election, it's time to put your Words into Action!

TOMORROW, Tuesday, on October 9, instead of our monthly meeting, the Progressive Democrats of Benicia invites Benicians to come to a work party for Kari Birdseye.

IMPORTANT: Note that the LOCATION OF THE PARTY HAS CHANGED. We will NOT meet at the Library – please come to 1215 West Second Street for this phone/postcard *make-a-difference party!*

This will be an opportunity to put words and support into action. We will be making phone calls on behalf of our endorsed candidate for Benicia City Council, **Kari Birdseye** and writing postcards **to Democrats in districts that the Democrats hope to flip**. Kari will be present for a brief campaign update.

ALSO IMPORTANT: To help with the phone banking please **bring a cell phone and a laptop along with necessary chargers**. Training will be provided. Those without laptops will be able to send postcards to help flip a District.

There will also be a brief summary of the **propositions** on the state ballot with the PDB recommendations and an update on our endorsed and recommended candidates.

***Hope to see you there - remember, 1215 West Second Street!
