<p><b>Call Senator Dodd</b> (who represents Benicia) sits on the Senate Transportation Committee, which will be hearing two of our priority bills soon. Call his office (916-651-4003) and leave a message:</p> <p>“Good evening. My name is _____ and I am a constituent of Senator Dodd in Benicia, zip code _____. Climate action is a top priority for me, and so I urge the Senator to vote in favor of two key climate bills when they come before the Senate Transportation Committee:</p> <p>SB 917, the Seamless Transit Act, would improve Bay Area transit, increase ridership, and reduce car use.</p> <p>SB 1482 would ensure that new parking in multifamily housing can support electric vehicle charging.</p> <p>Thank you for supporting climate solutions!”</p>
